Special Notes...

Prior to the workshop, please review the supply list and any correspondence you may have received regarding the workshop you have registered for. All the information about the workshops can be found on the society website under the Education Tab, Weekend Workshop.

Workshop Courtesies

Please...

- *Arrive between 9:15 and 9:30 a.m. to help set up and get yourself set up and ready for class.*
- *Refrain from wearing any scented products like perfume, cologne/aftershave, scented hand creams, etc. as many people have sensitivities to these products in the class or at our monthly meetings (please save those for your date nights!).*
- *Assist with the take down at the end of the class*
- *In the classroom - cell phone ringers are to be turned off. If you must have your cell phone on please set it to vibrate mode.*
- *Give the instructor your undivided attention. Side conversations with your neighbours, while the instructor is speaking or demonstrating can be annoying and distracting to other participants.*
- *Most instructors encourage questions; help the instructor by staying on the subject.*

There are no shared registrations permitted. In fairness to the instructor it will be expected that all participants plan to attend the full workshop.
